

Secondary School Education Provision

Our Aim

Utilising the power of Preston North End and football, we situate ourselves at the heart of the Preston community, providing a high quality service to improve lives.

Our provision is centred around;

Community Engagement: Delivering initiatives to create a safer, stronger and more resilient community.

Education: To provide an education pathway for all to help people achieve their goals.

Health and Wellbeing: Tackling the health inequalities across Preston by supporting people to lead healthier and more active lifestyles.

These services connect people from all walks of life, support all to achieve their goals and make positive changes to create a safer, stronger and more resilient community.

Benefits

Group teaching sizes are kept small, between 5-8 learners.

The programme benefits those learners who

- have low confidence or self-esteem
- are eligible for pupil premium
- have low attendance
- have poor attitude and motivation
- are at risk of exclusion
- have Special Educational Needs
- speak English as a second language
